MINOR AILMENT SCHEME

pharmacist will recognise this and advise you to see your GP instead.

What's more, many pharmacies are open in the evenings and on the weekends.

If everybody went to a pharmacist with common health problems, more time would be freed up for our GPs. This might make it easier to get a convenient appointment with your GP next time you need one.

So, if you have a common health problem, a trip to your local pharmacy is an option.

Every year, millions of us visit our GP with minor health problems that our local pharmacist could resolve.

It's estimated 50 million visits to the GP are made every year for minor ailments such as coughs and colds, mild eczema and athlete's foot.

But by visiting your pharmacy instead, you could save yourself time and trouble.

Instead of booking and waiting for a GP appointment, you can visit your local pharmacist any time—walk in.

All pharmacists can recognise many common health complaints. They can give advice or, where appropriate, medicines that will help clear up the problem.

If your problem is more serious and needs the attention of a GP, your
